

# About SCM

SCM is a Christian, **interdenominational**, evangelical outreach to men, women and youth involved in the correctional process who desperately desire a second chance in life.

The life blood of SCM is the **volunteers** who faithfully carry the **Gospel message** to the jail facilities and their inmates whom we serve as chaplains, Bible teachers, counselors, course graders and literature distributors.

Since **1981** our goal has been to **serve** in love and obedience to God the Father, the Son and the Holy Spirit in carrying out biblical mandates to **remember and visit** those who are incarcerated and to regard any suffering or mistreatment they may receive as **our own**.

Our **purpose** is to present a **clear picture** to the individual of Jesus Christ as **personal Savior** and Lord who is relevant to

meet all our needs and who is able to deal with **past, present and future needs** and hurts.

**Bringing God's love and hope to set the captives free and to save families!**
